ANNOUNCEMENT: President Tulley Wright of Allied Van Lines has moved his office to 4315 Eastern Ave., office phone 410-522-4422. His cell number, of course, is still the same. This is a lot closer to home for Tulley who was near Washington.

G&G Catering now has several large rooms in the Hunt Valley Inn available for large corporate luncheons or weddings.

SPEAKER: Darryl Thompkins is in charge of the transportation of people for Broadway Transport Services. They have shuttle buses and vans carrying 15,24, 32 or 42 people, some of which are specially equipped with lifts for wheelchairs, or disabled people. They will go anywhere-Pennsylvania, New Jersey, Virginia or Maryland. Darryl can arrange any type or amount of transportation you want-just call him. He does parking lot shuttles, private parties, airport pickups, weddings or athletic team transportation. He works with G&G on box lunches. Very interesting talk.

50/50 WINNER: Bill Miller.
